

APP.JXS

The image shows a Visual Studio Code editor window with a project named "practica_2 - copia". The Explorer sidebar on the left displays the file structure:

- PRACTICA_2 - COPIA
 - practica-2
 - node_modules
 - public
 - src
 - assets
 - components
 - Card.jsx
 - Header.jsx
 - Text.jsx
 - Title1.jsx
 - App.css
 - App.jsx
 - index.css
 - main.jsx
 - .eslintrc.cjs
 - .gitignore
 - index.html
 - package-lock.json
 - package.json
 - README.md
 - vite.config.js

The main editor area shows the content of `App.jsx`:

```
practica-2 > src > App.jsx > ...
1  import "../App.css"
2  import { Card } from "../components/Card"
3  import { Titleh1 } from "../components/Titleh1"
4  import { Text } from "../components/Text"
5
6  function App () {
7    return (
8      <>
9      <div className="container">
10        <Titleh1/>
11        <Text/>
12        <Card/>
13      </div>
14    </>
15  )
16 }
17
18 export default App;
19
```

The status bar at the bottom indicates the current file is `App.jsx` at line 4, column 41, using UTF-8 encoding and the Prettier formatter.

26    </div>
27  </div>
28 )
```

The image is a screenshot of a web browser displaying a landing page. The browser's address bar shows 'localhost:5173'. There are several tabs open, including two instances of a Discord server named '(7) Discord | # -general | Fun...' and a tab for 'Vite + React'. The landing page has a light gray background. At the top, the text 'Reliable, efficient delivery' is in bold black, followed by 'Powered by Technology' in a larger, bold blue font. Below this, a subtitle reads: 'Our Artificial Intelligence powered tools use millions of project data points to ensure that your project is successful'. The main content area features four white cards with rounded corners and colored borders. Each card has a circular icon at the top, a title in bold, and a description. The cards are: 1. 'Supervisor' with a magnifying glass icon, description: 'Monitors activity to identify project roadblocks'. 2. 'Team Builder' with a house icon, description: 'Scans our talent network to create the optimal team for your project'. 3. 'Calculator' with a calculator icon, description: 'Uses data from past projects to provide better delivery estimates'. 4. 'Karma' with a lightbulb icon, description: 'Regularly evaluates our talent to ensure quality'. The Windows taskbar is visible at the bottom, showing the Start button, a search bar with the text 'Buscar', and several application icons including File Explorer, Microsoft Edge, and various utility apps. The system clock in the bottom right corner shows '15:26' and '4/07/2024'.
